# How do I use sticky notes?

1. As I read silently, I am using my reading strategies!
2. When I use a strategy, I record it on my sticky note with a code.
3. Then, I place that sticky note on the page in my book and continue reading.
4. When I'm done reading, I go back to review my sticky notes, record them in my journal and write about my thinking.

If You Give a Mouse a Cookie

by Laura Joffe Numeroff

T-S

I made a text to self connection because the mouse likes milk with his cookies and so do I.

P

I made a prediction during the story that the mouse would keep wanting more and more. I was right!

Write the date.

Write the book title and author.

Record your sticky notes with codes. Then explain your thinking!
